Amendments to AU-C Section 800, *Special Considerations—Audits of Financial Statements Prepared in Accordance With Special Purpose Frameworks* (Marked from Extant)

Introduction, Objectives, Definitions and Requirements	Application and Other Explanatory Material
Introduction	<u>Introduction</u>
Scope of this Section	<u>Scope of this Section (Ref: par. .01 and .07)</u>
<p>.01 AU-C sections 200—700A apply to an audit of financial statements. This section addresses special considerations in the application of those AU-C sections to an audit of financial statements prepared in accordance with a special purpose framework, which is a cash, a tax, a regulatory, a contractual, or an other basis of accounting. This section does not purport to address all special considerations that may be relevant in the circumstances. (Ref: par. A1–.A5)</p>	<p>.A1 <u>The following are examples of special purpose frameworks (Ref: par. .01)</u></p> <ul style="list-style-type: none"> <u>a. Cash basis. A basis of accounting that the entity uses to record cash receipts and disbursements and modifications of the cash basis having substantial support (for example, recording depreciation on fixed assets).</u> <u>b. Tax basis. A basis of accounting that the entity uses to file its tax return for the period covered by the financial statements.</u> <u>c. Regulatory basis. A basis of accounting that the entity uses to comply with the requirements or financial reporting provisions of a regulatory agency to whose jurisdiction the entity is subject (for example, a basis of accounting that insurance companies use pursuant to the accounting practices prescribed or permitted by a state insurance commission).</u> <u>d. Contractual basis. A basis of accounting that the entity uses to comply with an agreement between the entity and one or more</u>

	<p><u>third parties other than the auditor.</u></p> <p><u>e. Other basis. A basis of accounting that uses a definite set of logical, reasonable criteria that is applied to all material items appearing in financial statements.</u></p> <p><u>The cash basis, tax basis, regulatory basis, and other basis of accounting are commonly referred to as <i>other comprehensive bases of accounting</i>.</u></p>
	<p>Definitions</p>
	<p>Special Purpose Financial Statements and Special Purpose Frameworks (Ref: par. .07)</p>
	<p>.A2 A1 Special purpose financial statements may be prepared for use by regulatory bodies, the parties to a contract or agreement, or other specified parties. For example, a loan agreement may require the borrower to prepare consolidated financial statements for the lender presented on a contractual basis of accounting, which is not in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) or International Financial Reporting Standards promulgated by the International Accounting Standards Board.</p>
	<p>.A3 A2 There may be circumstances <u>in which</u> when a regulatory or contractual basis of accounting is based on a general purpose framework <u>established by an authorized or recognized standards setting organization, such as U.S. GAAP or by law or regulation,</u> but does not comply with all the requirements of that framework. An example is a contract that requires financial statements to be prepared in accordance with most, but not all, of U.S. GAAP. If the financial statements purport to be prepared in accordance with a general-purpose framework and such financial statements are materially misstated due to a departure from that framework, section 705A</p>

	applies.
	<p>.A4.A3 When it is acceptable in the circumstances of the engagement to report, in accordance with this section, on special purpose financial statements that purport to be prepared in accordance with a regulatory or contractual basis of accounting that is based on a general purpose framework, it is inappropriate for the description of the applicable financial reporting framework in the special purpose financial statements to imply full compliance <u>that the special purpose framework includes all of the requirements of, or is the same as the financial reporting framework on which the special purpose framework is based,</u> with the general purpose framework In the example of the contract in paragraph .A2.A3, the description of the applicable financial reporting framework would refer to the financial reporting provisions of the contract, rather than make any reference to U.S. GAAP. The requirements in paragraphs .19–.21 are designed to avoid misunderstandings about compliance with the general purpose framework.</p>
	<p>.A4.A5 A4 Financial statements prepared in accordance with a <u>special purpose framework</u> cash basis, tax basis, or an other basis of accounting may be the only financial statements an entity prepares. Such special purpose financial statements may be used by users other than those for whom the financial reporting framework is designed. Despite the broad distribution of the financial statements, the financial statements are still considered to be special purpose financial statements for purposes of GAAS. The requirement in paragraph .19 19 is designed to avoid misunderstandings about the framework used to prepare the financial statements.</p>
<p>.02 This section is written in the context of a complete set of financial statements prepared in accordance with a special purpose framework. Section 805, <i>Special Considerations—Audits of Single</i></p>

<p><i>Financial Statements and Specific Elements, Accounts, or Items of a Financial Statement</i>, addresses special considerations relevant to an audit of a single financial statement or of a specific element, account, or item of a financial statement.</p>	
<p>.03 <u>Section 570, <i>The Auditor’s Consideration of an Entity’s Ability to Continue as a Going Concern</i></u>, applies to audits of special purpose financial statements, as discussed in paragraph .14 of this section.</p>	
<p>.03 Section 910, <i>Financial Statements Prepared in Accordance With a Financial Reporting Framework Generally Accepted in Another Country</i>, addresses circumstances in which an auditor practicing in the United States is engaged to report on financial statements that have been prepared in accordance with a financial reporting framework generally accepted in another country not adopted by a body designated by the Council of the AICPA (Council) to promulgate generally accepted accounting principles (GAAP) when such audited financial statements are intended for use outside the United States.</p>	
<p>.04 <u>.04</u> Section 806, <i>Reporting on Compliance With Aspects of Contractual Agreements or Regulatory Requirements in Connection With Audited Financial Statements</i>, addresses the auditor’s responsibility and the form and content of the report when the auditor is requested to report on the entity’s compliance with aspects of contractual agreements or regulatory requirements in connection with the audit of financial statements.</p>	
<p>Effective Date</p>	
<p>.05 <u>.05</u> This <u>amendment section</u> is effective for audits of financial statements prepared in accordance with a special purpose framework for periods ending on or after December 15, 2012<u>2020</u>. <u>Early implementation is not permitted.</u></p>	

<p>Objective</p> <p>.06 .06 The objective of the auditor, when applying generally accepted auditing standards (GAAS) in an audit of financial statements prepared in accordance with a special purpose framework, is to address appropriately the special considerations that are relevant to</p> <ul style="list-style-type: none"> a. the acceptance of the engagement, b. the planning and performance of that engagement, and c. forming an opinion and reporting on the financial statements. 	
<p>Definitions</p>	<p><u>Definitions</u></p>
<p>.07 .07 For purposes of GAAS, the following terms have the meanings attributed as follows:</p> <p>Special purpose financial statements. Financial statements prepared in accordance with a special purpose framework. (Ref: par .A1)</p> <p>Special purpose framework. A financial reporting framework other than GAAP <u>designed to meet the financial information needs of specific users. that is one of the following bases of accounting:</u> (Ref: par. A2 <u>A5.A6</u>)</p> <ul style="list-style-type: none"> a. Cash basis. <u>A basis of accounting that the entity uses to record cash receipts and disbursements and modifications of the cash basis having substantial support (for example, recording depreciation on fixed assets).</u> b. Tax basis. <u>A basis of accounting that the entity uses to file its tax return for the period covered by the financial statements.</u> c. Regulatory basis. <u>A basis of accounting that the entity uses to comply with the requirements or financial reporting</u> 	<p><u>Special Purpose Frameworks (Ref: par. .07)</u></p> <p>A5.A6 <u>A5</u> Certain regulators, including state and local government legislators, regulatory agencies, or departments, require financial statements to be prepared in accordance with a financial reporting framework that is based on <u>a framework promulgated by an authorized or recognized standards-setting organization (e.g., FASB or GASB), U.S. GAAP</u> but does not comply with <u>include</u> all of the requirements of <u>U.S. GAAP</u> that framework. Such frameworks are regulatory bases of accounting, as defined <u>described</u> in paragraph .07 .A1. In some circumstances, however, the cash or tax basis of accounting may be permitted by a regulator. For purposes of this section, the cash and tax bases of accounting are not regulatory bases of accounting.</p>

<p>provisions of a regulatory agency to whose jurisdiction the entity is subject (for example, a basis of accounting that insurance companies use pursuant to the accounting practices prescribed or permitted by a state insurance commission).</p> <p>d. Contractual basis. A basis of accounting that the entity uses to comply with an agreement between the entity and one or more third parties other than the auditor.</p> <p>e. Other basis. A basis of accounting that uses a definite set of logical, reasonable criteria that is applied to all material items appearing in financial statements.</p> <p>The cash basis, tax basis, regulatory basis, and other basis of accounting are commonly referred to as <i>other comprehensive bases of accounting</i>.</p>	
<p>.08 .08 Reference to <i>financial statements</i> in this section means “a complete set of special purpose financial statements, including the related notes.”¹ The related notes ordinarily comprise a summary of significant accounting policies and other explanatory information. The requirements of the applicable financial reporting framework determine the presentation, structure, form and content of the financial statements and what constitutes a complete set of financial statements.</p>	
<p>.09 .09 Reference to GAAP in GAAS means generally accepted accounting principles promulgated by bodies designated by Council pursuant to the "Compliance With Standards Rule" (ET sec. 1.310.001) and the "Accounting Principles Rule" (ET sec. 1.320.001) of the AICPA Code of Professional Conduct.</p>

<i>Acceptability of the Financial Reporting Framework (Ref: par. A6-A9 A7-A10)</i>	<i>Acceptability of the Financial Reporting Framework (Ref: par. .10 A6 A7 A8 A9 A10)</i>
<p>.10 .10 Section 210, <i>Terms of Engagement</i>, requires the auditor to determine the acceptability of the financial reporting framework applied in the preparation of the financial statements.²² In an audit of special purpose financial statements, the auditor should obtain an understanding of</p> <ul style="list-style-type: none"> a. the purpose for which the financial statements are prepared, b. the intended users, and c. the steps taken by management to determine that the applicable financial reporting framework is acceptable in the circumstances. 	<p>A6 A7 A6. In the case of special purpose financial statements, the financial information needs of the intended users are a factor in determining the acceptability of the financial reporting framework applied in the preparation of the financial statements.</p> <p>A7 A8 A7 The applicable financial reporting framework may encompass the financial reporting standards established by an organization that is authorized or recognized to promulgate standards for special purpose financial statements. In that case, those standards will be presumed acceptable for that purpose if the organization follows an established and transparent process involving deliberation and consideration of the views of relevant stakeholders. In some circumstances, law or regulation may prescribe the financial reporting framework to be used by management in the preparation of special purpose financial statements for a certain type of entity. For example, a regulator may establish financial reporting provisions to meet the requirements of that regulator. In the absence of indications to the contrary, such a financial reporting framework is presumed acceptable for special purpose financial statements prepared by such an entity.</p>
	<p>A8 A9 A8 The acceptability of the financial reporting framework in the circumstances of the engagement is determined by considering whether the framework exhibits attributes normally exhibited by acceptable financial reporting frameworks. Section 210 discusses the attributes of acceptable financial reporting frameworks, which provide management with an appropriate basis for preparing the financial statements and the auditor with suitable criteria for auditing the financial statements.³ 12 In the case of a special purpose framework,</p>

	<p>the relative importance to a particular engagement of each of the attributes normally exhibited by acceptable financial reporting frameworks is a matter of professional judgment. For example, for purposes of establishing the value of net assets of an entity at the date of its sale, the seller and purchaser may have agreed that conservative estimates of allowances for uncollectible accounts receivable are appropriate for their needs, even though such financial information may be biased when compared with financial information prepared in accordance with a general-purpose framework.</p>
	<p>A9.A10 A9 In the case of financial statements prepared in accordance with a contractual basis of accounting, the parties to the contract or agreement may need to agree on the significant interpretations of the contract on which the special purpose financial statements are based. If agreement cannot be reached, the auditor may determine that the framework is not acceptable.</p>

engagements and (b) all AU-C sections relevant to the audit. It also requires the auditor to comply with each requirement of an AU-C section unless, in the circumstances of the audit, the entire AU-C section is not relevant or the requirement is not relevant because it is conditional and the condition does not exist. In rare circumstances, the auditor may judge it necessary to depart from a relevant presumptively mandatory requirement in an AU-C section by performing alternative audit procedures to achieve the intent of that requirement.⁸⁴⁵

~~12.13~~ ~~13~~ Section 315, *Understanding the Entity and Its Environment and Assessing the Risks of Material Misstatement*, requires the auditor to obtain an understanding of the entity's selection and application of accounting policies.⁹⁵ In the case of special purpose financial statements prepared in accordance with a contractual basis of accounting, the auditor should obtain an understanding of any significant interpretations of the contract that management made in the preparation of those financial statements. An interpretation is significant when adoption of another reasonable interpretation would have produced a material difference in the information presented in the financial statements.

~~A13~~ ~~A14~~ ~~A13~~ An AU-C section is relevant to the audit when the AU-C section is in effect and the circumstances addressed by the AU-C section exist.¹⁰⁴⁶ In an audit of special purpose financial statements, some of the requirements within the relevant AU-C sections may need to be adapted by the auditor. For example, in section 320, *Materiality in Planning and Performing an Audit*, judgments about matters that are material to users of the financial statements are based on a consideration of the common financial information needs of users as a group.¹¹⁴⁷ In an audit of special purpose financial statements, those judgments may be based on a consideration of the financial information needs of the intended users.

~~A14 Special purpose financial statements may or may not be prepared in accordance with an applicable financial reporting framework for which the going concern basis of accounting is relevant. However, irrespective of whether the going concern basis of accounting is relevant in the preparation of the special purpose financial statements, the requirements in section 570, <i>The Auditor's Consideration of an Entity's Ability to Continue as a Going Concern</i>, apply regarding the auditor's responsibilities to perform the following:</p> <ul style="list-style-type: none"> a. <u>Conclude</u>, based on the audit evidence obtained, whether substantial doubt exists about an entity's ability to continue as a going concern for a reasonable period of time b. <u>Evaluate</u> the possible financial statement effects, including the adequacy of disclosure regarding the entity's ability to continue as a going concern for a reasonable period of time <p style="text-align: center;">T</p>
	<p>A14, A15 A15 In the case of special purpose financial statements, such as those prepared in accordance with a contractual basis of accounting, management may agree with the intended users on a threshold below which misstatements identified during the audit will not be corrected or otherwise adjusted. The existence of such a threshold does not relieve the auditor from the requirement to determine materiality in accordance with section 320 for purposes of planning and performing the audit of the special purpose financial statements. With respect to interpretations of the contract on which the special purpose financial statements are based, the auditor may determine that an interpretation is significant based on qualitative considerations.</p>
	<p>A15, A16 A16 Communication with those charged with governance in accordance with GAAS is based on the relationship between those charged with governance and the financial statements subject to audit, in particular, whether those charged with governance are responsible for overseeing the preparation of those financial statements. In the</p>

	<p>case of special purpose financial statements, those charged with governance may not have such a responsibility;¹² for example, when the financial information is prepared solely for management's use. In such cases, the requirements of section 260, <i>The Auditor's Communication With Those Charged With Governance</i>, may not be relevant to the audit of the special purpose financial statements, except when the auditor is also responsible for the audit of the entity's general purpose financial statements or, for example, has agreed to communicate with those charged with governance of the entity relevant matters identified during the audit of the special purpose financial statements.</p>

For example, the AICPA's Financial Reporting Framework for Small and Medium Sized Entities (FRF-SME) requires management to assess whether the going concern basis of accounting is appropriate, and if not, to use the liquidation basis of accounting. In contrast, the cash or tax bases of accounting do not require management to assess whether the going concern basis of accounting is appropriate. ~~.14.16~~ ~~.15~~ Section 700A requires the auditor to evaluate whether the financial statements adequately refer to or describe the applicable financial reporting framework ¹⁵⁶ In an audit of special purpose financial statements, the auditor should evaluate whether the financial statements are suitably titled, include a summary of significant accounting policies, and adequately describe how the special purpose framework differs from GAAP. The effects of these differences need not be quantified. In the case of financial statements prepared in accordance with the provisions of a contract, the auditor should evaluate whether the financial statements adequately describe any significant interpretations of the contract on which the financial statements are based.

~~.16. In the case of financial statements prepared in accordance with the provisions of a contract, the auditor should evaluate whether the financial statements adequately describe any significant interpretations of the contract on which the financial statements are based.~~

Fair Presentation (Ref: par. ~~A-20-A24~~ .A24-.A28)

~~.17~~ ~~.17~~ Section 700A requires the auditor to evaluate whether the financial statements achieve fair presentation. ¹⁶⁷ In an audit of special purpose financial statements when the special purpose financial statements contain items that are the same as, or similar to, those in financial statements prepared in accordance with GAAP, the auditor should evaluate whether

- a. the financial statements include informative disclosures

~~.A21.A22~~ ~~A18~~ Terms such as balance sheet, statement of financial position, statement of income, statement of operations, and statement of cash flows, or similar unmodified titles, are generally understood to be applicable only to financial statements that are intended to present financial position, results of operations, or cash flows in accordance with GAAP. Accordingly, the auditor is required by paragraph ~~.15.16~~ to evaluate whether the financial statements are suitably titled. For example, cash basis financial statements might be titled as a statement of assets and liabilities arising from cash transactions or as a statement of revenue collected and expenses paid; a financial statement prepared on a regulatory basis of accounting might be titled as a statement of income—regulatory basis.

~~.A23~~ ~~.A19~~ The description of how the special purpose framework differs from GAAP ordinarily only includes the material differences between GAAP and the special purpose framework. For example, if several items are accounted for differently under the special purpose framework than they would be under U.S. GAAP, but only the differences in how depreciation is calculated are material, a brief description of the depreciation differences is all that would be necessary, and the remaining differences need not be described. The differences need not be quantified.

Fair Presentation (Ref: par. ~~.17.17~~)

~~.A22.A24~~ ~~.A20~~ Financial statements, including the ~~disclosures~~ ~~related notes~~, that achieve a fair presentation include all informative disclosures that are appropriate for the applicable financial reporting framework, including matters that affect their use, understanding, and interpretation. Also refer to paragraph ~~.A12~~ ~~.A11~~.

Appendix B — Fair Presentation and Adequate Disclosures

(Ref: par. ~~A24, A28A20, A23~~)

When special purpose financial statements contain items that are the same as, or similar to, those in financial statements prepared in accordance with generally accepted accounting principles (GAAP), paragraph .17^a requires the auditor to evaluate whether, the financial statements include informative disclosures similar to those required by GAAP. The auditor is also required to evaluate whether additional disclosures, beyond those specifically required by the framework, related to matters that are not specifically identified on the face of the financial statements or other disclosures are necessary for the financial statements to achieve fair presentation. This appendix provides guidance, in addition to paragraphs ~~A24, A28A20, A23~~, on evaluating the adequacy of disclosures in financial statements prepared in accordance with a special purpose framework, including matters related to the presentation of financial statements.

If special purpose financial statements contain items for which GAAP would require disclosure, the financial statements may either provide the relevant disclosure that would be required for those items in a GAAP presentation or provide information that communicates the substance of that disclosure. Likewise, if GAAP sets forth requirements that apply to the presentation of financial statements, special purpose financial statements may either comply with those requirements or provide information that communicates the substance of those requirements, without modifying the format of the special purpose financial statements. This may result in substituting qualitative information for some of the quantitative information required for GAAP presentations. For example:

- Disclosure of the repayment terms of significant long-term borrowings may sufficiently communicate information about future principal reduction without providing the summary of principal reduction during each of the next five years.
- Information about the effects of accounting changes, discontinued operations, and extraordinary items, if applicable, could be disclosed in a note to the financial statements without following the GAAP presentation requirements in the statement of results of operations, using those terms, or disclosing net-of-tax effects.¹
- Instead of showing expenses by their functional classifications in certain industries, a statement of activities could present expenses according to their natural classifications, and

¹ [Accounting Standards Update No. 2015-01, *Income Statement—Extraordinary and Unusual Items \(Subtopic 225-20\), Simplifying Income Statement Presentation by Eliminating the Concept of Extraordinary Items*, eliminated the concept of extraordinary items. However, GASB generally accepted accounting principles still retains this concept.](#)

a note to the statement could use estimated percentages to communicate information about expenses incurred by the major program and supporting services.

- Instead of showing the amounts of, and changes in, ~~the unrestricted and temporarily and permanently restricted~~ classes of net assets without donor imposed restrictions and with donor imposed restrictions in certain industries, a statement of assets and liabilities could report total net assets ~~or fund balances~~, a related statement of activities could report changes in those totals, and a note to the financial statements could provide information, using estimated or actual amounts or percentages, about the restrictions on those amounts and on any deferred restricted amounts, describe the major restrictions, and provide information about significant changes in restricted amounts.²

For special purpose financial statements, GAAP disclosure requirements that are not relevant to the measurement of the item need not be considered. To illustrate:

- Fair value disclosures for debt and equity securities would not be relevant when the basis of presentation does not adjust the cost of such securities to their fair value.
- Disclosures related to actuarial calculations for contributions to defined benefit plans would not be relevant in financial statements prepared in accordance with the cash or tax basis of accounting.
- Disclosures related to the use of estimates would not be relevant in a presentation that has no estimates, such as the cash basis of accounting.

Special purpose financial statements may not include a statement of cash flows. If a presentation of cash receipts and disbursements is presented in a format similar to a statement of cash flows or if the entity chooses to present such a statement, the statement would either conform to the requirements for a GAAP presentation or communicate their substance. As an example, the statement of cash flows might disclose noncash acquisitions through captions on its face.

Report on the Audit of Financial Statements²

Opinion

We have audited the financial statements of ABC Partnership, which comprise the statement of assets and liabilities arising from cash transactions as of December 31, 20X1, and the related statement of revenue collected and expenses paid for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the assets and liabilities arising from cash transactions of ABC Partnership as of December 31, 20X1, and its revenue collected and expenses paid during the year then ended in accordance with the cash basis of accounting described in Note X.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ABC Partnership, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting³

We draw attention to Note X of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note X, and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

² The subtitle "Report on the Audit of the Financial Statements" is unnecessary in circumstances in which the second subtitle "Report on Other Legal and Regulatory Requirements" is not applicable.

³ Another appropriate heading may be used

Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ABC Partnership’s internal control. Accordingly, no such opinion is expressed.⁴
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ABC Partnership’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and internal control related matters that we identified during the audit.

Report on the Financial Statements²

We have audited the accompanying financial statements of ABC Partnership, which comprise the statement of assets and liabilities arising from cash transactions as of December 31, 20X1, and the related statement of revenue collected and expenses paid for the year then ended, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note X; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the partnership’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the partnership’s internal control.³ Accordingly, we

²– The subtitle “Report on the Financial Statements” is unnecessary in circumstances when the second subtitle “Report on Other Legal and Regulatory Requirements” is not applicable.

³– In circumstances when the auditor also has responsibility to express an opinion on the effectiveness of internal control in conjunction with the audit of the financial statements, this sentence would be worded as follows: “In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances.” In addition, the next sentence, “Accordingly, we express no such opinion.” would not be included.

~~We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.~~

Opinion

~~In our opinion, the financial statements referred to above present fairly, in all material respects, the assets and liabilities arising from cash transactions of ABC Partnership as of December 31, 20X1, and its revenue collected and expenses paid during the year then ended in accordance with the cash basis of accounting described in Note X.~~

Basis of Accounting⁴

~~We draw attention to Note X of the financial statements, which describes the basis of accounting. Opinion

¹ If management has a choice of financial reporting frameworks, paragraph .18a requires that the explanation of management's responsibility for the financial statements also make reference to its responsibility for determining that the applicable financial reporting framework is acceptable in the circumstances.

² The subtitle "Report on the Audit of the Financial Statements" is unnecessary in circumstances when the second subtitle "Report on Other Legal and Regulatory Requirements" is not applicable

We have audited the financial statements of ABC Partnership, which comprise the statements of assets, liabilities, and capital-income tax basis as of December 31, 20X1, and the related statements of revenue and expenses—income tax basis and of changes in partners’ capital accounts—income tax basis for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the assets, liabilities, and capital of ABC Partnership as of December 31, 20X1, and its revenue and expenses and changes in partners’ capital accounts for the year then ended in accordance with the basis of accounting the Partnership uses for income tax purposes described in Note X.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ABC Partnership, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting³

We draw attention to Note X of the financial statements, which describes the basis of accounting. The financial statements are prepared on the basis of accounting the Partnership uses for income tax purposes, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the basis of accounting the Partnership uses for income tax purposes; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

³ Another appropriate heading may be used.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ABC Partnership’s internal control. Accordingly, no such opinion is expressed.⁴
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ABC Partnership’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on the Audit of the Financial Statements²

Opinion

We have audited the financial statements of ABC Government Authority, which comprise the statement of net position— regulatory basis as of December 31, 20X1, and the related statements of revenues, expenses, and changes in net position— regulatory basis; and statement of cash flows — regulatory basis for the year then ended, and the related notes to the financial statements.

² The subtitle "Report on the Audit of the Financial Statements" is unnecessary in circumstances when the second subtitle "Report on Other Legal and Regulatory Requirements" is not applicable.

In our opinion, the accompanying financial statements present fairly, in all material respects, the regulatory basis net position of ABC Government Authority as of December 31, 20XX, and the regulatory basis changes in net position and regulatory basis cash flows thereof for the year then ended in accordance with the financial reporting provisions of Section Y of Regulation Z of Any State described in Note X.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ABC government Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting³

We draw attention to Note X of the financial statements, which describes the basis of accounting. As described in Note X to the financial statements, the financial statements are prepared by ABC Government Authority on the basis of the financial reporting provisions of Section Y of Regulation Z of Any State, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of Any State. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of Section Y of Regulation Z of Any State. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

basis, changes in equity—contractual basis, and cash flows—contractual basis for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the assets and liabilities of ABC Company as of December 31, 20X1, and revenues, expenses, changes in equity, and cash flows for the year then ended in accordance with the financial reporting provisions of Section Z of the contract.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ABC Company, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting³

We draw attention to Note X of the financial statements, which describes the basis of accounting. The financial statements are prepared by ABC Company on the basis of the financial reporting provisions of Section Z of the contract, which is a basis of accounting other than accounting principles generally accepted in the United States of America. As a result, the financial statements may not be suitable for another purpose. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the financial reporting provisions of Section Z of the contract between ABC Company and DEF Company dated January 1, 20X1 (the contract). Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. ³ Another appropriate heading may be used.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ABC Company’s internal control. Accordingly, no such opinion is expressed.⁴
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ABC Company’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and internal control related matters that we identified during the audit.

[The form and content of this section of the auditor’s report would vary depending on the nature of the auditor’s other reporting responsibilities.]

[*Signature of the auditor’s firm*]

[*City and state where the auditor’s report is issued*]

[*Date of the auditor’s report*]

⁴ In circumstances in which the auditor also has a responsibility to express an opinion on the effectiveness of internal control in conjunction with the audit of the financial statements, omit the following: “but not for the purpose of expressing an opinion on the effectiveness of ABC Company’s internal control. Accordingly, no such opinion is expressed.”

⁵ Another appropriate heading may be used.

Illustration 5—An Auditor's Report on a Complete Set of Financial Statements Prepared in Accordance With a Contractual Basis of Accounting

Circumstances include the following:

- ~~The financial statements have been prepared by management of the entity in accordance with a contractual basis of accounting (that is, a special purpose framework) to comply with the provisions of that contract.~~
- ~~Based on the provisions of the contract, management does not have a choice of financial reporting frameworks.¹~~

Independent Auditor's Report

[Appropriate Addressee]

Report on the Financial Statements²

~~We have audited the accompanying financial statements of ABC Company, which comprise the assets and liabilities—contractual basis as of December 31, 20X1, and the revenues and expenses—contractual basis, changes in equity—contractual basis, and cash flows—contractual basis for the year then ended, and the related notes to the financial statements.~~

Management's Responsibility for the Financial Statements

~~Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of Section Z of the contract between ABC Company and DEF Company dated January 1, 20X1 (the contract). Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.~~

Auditor's Responsibility

~~Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.~~

~~An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.³ Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting~~

¹ If management has a choice of financial reporting frameworks, paragraph .18a requires that the explanation of management's responsibility for the financial statements also make reference to its responsibility for determining that the applicable financial reporting framework is acceptable in the circumstances.

² The subtitle "Report on the Financial Statements" is unnecessary in circumstances when the second subtitle "Report on Other Legal and Regulatory Requirements" is not applicable.

³ In circumstances when the auditor also has responsibility to express an opinion on the effectiveness of internal control in conjunction with the audit of the financial statements, this sentence would be worded as follows: "In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances." In addition, the next sentence, "Accordingly, we express no such opinion." would not be included.

AU-C 800, *Special Considerations—Audits of Financial Statements Prepared in Accordance With Special Purpose Frameworks* (Marked from Extant)

ASB Meeting, July 22-25, 2019

~~policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.~~

~~We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.~~

Opinion

~~In our opinion, the financial statements referred to above present fairly, in all material respects, the assets and liabilities of ABC Company as of December 31, 20X1, and revenues, expenses, changes in equity, and cash flows for the year then ended in accordance with the financial reporting provisions of Section Z of the contract.~~

Basis of Accounting⁴

~~We draw attention to Note X of the financial statements, which describes the basis of accounting. The financial statements are prepared by ABC Company on the basis of the financial reporting provisions of Section Z of the contract, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to comply with the financial reporting provisions of the contract referred to above. Our opinion is not modified with respect to this matter.~~

Restriction on Use⁵
